

# CERTIFICATE

*On behalf of Pracownia CSR Sp. z o.o., I hereby confirm that Assel Sp. z o.o. is committed to active engagement in social and environmental aspects, it is a responsibly managed and a sustainable business organization. Assel has implemented a strategy in accordance with ISO 26000 standards.*

*The strategy is accompanied by a Roadmap, which defines strategic and operational goals, which the company intends to implement during the next 5 years.*

*The strategy covers all seven areas defined in ISO 26000 standards – from reductions on environmental impact, employee related support and growth, engagement in local community and the last but not least - promotion and building awareness of all corporate CSR policies within and outside the organization.*

*I have audited Assel Sp. z o.o. in May 2014 and assess Assel's operations as very positive and in accordance with ISO 26000.*
